

Embodyspace Community Council meeting

March 7, 2014

Attendance: Neil, Raphael, Guthrie, Lyric, Ana, and M

Notes taken by Lyric

Meeting convened at 11:40 am

Consensus statement read by Ana

Sound Issues from Elaine Bell APF Form (see 2/12/14 minutes for original copy)

1. Thursday, 3/6, Alec used the decibel meter and checked regularly. It was clearly managed. It felt good
2. On the Table: Freestanding dB meter is about \$30. Consensus Reached *Raphael will research to see what ED should invest in and then purchase one. Budget no more than \$50.* Perhaps one can plug into the Numark deck so we can track over time.

Events via ED list-serv

1. The list-serv is our opt-in email list via embodydancesantafe.org
2. Facilitators—do we offer sending out their dance specific events as part of the their perks
3. If a facilitator is creating their own event; if they put Embodyspace name on their fliers then yes we can promote 1–2 a year. Because it is a community gathering
4. Newsletter focus—just include it in the next missive
5. If we're willing to put it on the webpage i.e. a dance event—then we can also put it in the newsletter
6. I'm with you—but that we can do it once or twice a year
7. Marianna's workshop was produced by Embodyspace
8. Proposal: Facilitators can advertise two dance-related events per year as part of their contract on the ED website and via the ED newsletter. *Consensus Reached.*

Embodyspace Contract with Facilitators

1. Ruth is working on contracts (independent contract agreements) and is finalizing some language
2. Ana to contact Ruth re: above consensus about Facilitator advertising their dance related events to the contract

Board Report

1. Recording # of attendees for data: New form created to track this and is to be done with money reconciliation.
2. Francesca would report these numbers in addition to the money

3. Proposal: Raphael and Guthrie will be communicating to finalize form and then put it into place *Consensus reached.*

Rhythm Wave Master Charlie coming to town

1. ED to host and Charlie to put together the Wave for Thursday, 3/13
2. Ana, currently the facilitator, is happy to step aside
3. Finalize confirmation and send a missive out as soon as we have information to promote Charlie as a guest facilitator

Dates to Finalize for Upcoming Events

Special Saturday: March 29, 2014. The Railyard is not available for any of the Saturdays that we wanted; none are open. Nothing is open until June—we're working towards a June date.

- Should we schedule now for the rest of the year
- I hesitate on this, because of Studio Nia's Conscious Dance—they're doing it every single Saturday night from 6–8.
- Let's Schedule June and August to see how those numbers worked
- Let's start at 8 pm so as not to stomp on Studio Nia's Conscious Dance.

Annual Meeting: March 27, to reinstate Board Members. The Railyard Performance Center is scheduled for that evening. 9 pm after dance. *Lyric needs an agenda from the Board for announcement to community. Guthrie to take action on getting the agenda to Lyric. Board to run this meeting.*

ED Birthday Party: Booked for May 10. At the Annual Meeting we'll put the call out for the Birthday Party Committee. Family event. Previous years has begun at 6 or 6:30. If we start at 7 then we need to get in there at 5 pm. Reserved til 11 pm. 14th Annual ED Birthday Party. Potluck. Community music. Put call for volunteers out to chair the committee. Free Admission. Budget is typically \$500. Consented to move forward with the usual.

Repeat Wave: a dancer experienced a repeat wave. Needs to be addressed in contract as “each wave needs to be fresh.” *Consented*

Music on the Website: Keep off the website unless someone wants to research whether or not it is legal to have the music up or not.

Table Signage:

Name: Lyric Kali

Comments: We need to review the signs that we place at ED from both a conscious communication

and an aesthetic standpoint. Please look at the signs that are on the money/greeter table typically at:
