

EmbodyDance Community Council Meeting

October 2, 2014, 5p, Railyard Patio.

Attending: Kim Cope, Ana Gonzales Biele, Raphael Weisman, Jay Lynch (prospective new CC member), and Guthrie Miller (minutes taker)

Consensus Statement summarized by Ana.

Agenda decided.

- **Signage for dance.** The proposed new signs by Scott Shuker were reviewed. There are still some changes being requested.
- **Donations.** Kathleen will donate two waves in the coming year. This is thankfully acknowledged by the CC.
- **Marketing.** Raphael said that ED is now mentioned in the SF Reporter Calendar Ongoing Section. It was suggested that we contact the Chamber of Commerce and perhaps have ED mentioned in the newcomer-to-SF literature that they distribute. We discussed changing the Greeter protocol so that newcomers are asked to indicate on the sign-in sheet how they heard about ED. An alternative proposal is to prepare a newcomer information sheet that, in addition, will collect email and phone numbers for those explicitly willing to share them. Guthrie will prepare a sample form for the next meeting, based on an existing form that was used in the past.
- **Community-Wide-Email.** Ana will be preparing this. From a position of strength and expansiveness it will mention the opportunities for expanded donations of various kinds and ask for short comments about ED for Raphael to use in his writeup of ED.
- **Meeting Minutes.** The CC agreed that the protocol is to be this. The minutes taker is to post a working copy of the minutes as soon as possible. Everyone on the Council should read the minutes and make changes as they feel appropriate. After a couple of days the minutes taker will finalize the minutes and move them to the "MinutesFinal" folder as well as emailing them to John Cavanagh for posting on the web site.
- **ED bookkeeper position.** Raphael will talk to Ellen Shapiro, to confirm that she is still interested in the position and to Ruth to see where she stands.
- **Coordinators and Facilitators.** Ana will relate the CC request that Coordinators and Facilitators attend CC meetings about once per month.
- **New Council members.** Kim was welcomed to the Council. Jay Lynch stated his interest and will confirm at the next meeting.
- **Next meeting.** It was agreed that the next meeting will be at 5p before dance on Thursday October 16, at Jay Lynch's house, 733 Camino Santa Ana, 87505 (340-474-9001). Guthrie will facilitate, and in conversation with Ana before the next meeting, decide on the agenda and post it in the dropbox.
