Community Potluck for Ruth

The potluck will be after the We dance on May 1st (? couldn't find the date anywhere).

Julie will order a gluten free cake for 25 people with "Thank you Ruth" on it. She also will get a card and flowers. We will circulate the card on the next Thursday dances.

Jay will make announcements about the potluck together with the We-dance announcements.

Follow up We dance

Jay will start announcements in circle.

Duija phoned Reina but hasn't heard back from her yet.

Guthrie rented a space for the Saturday workshop.

May fundraiser update

The fundraiser will be May 7th. The Railyard will be half price.

Tracy J, Duija, John and Jay will meet soon, Jay will contact John about this.

Does ED want artistic director?

For now the CC wants to set an intention of making the running of ED a group effort by attracting new diverse and enthusiastic people to the CC instead of hiring a creative director. If we can make the CC a positive supportive place with good energy this will reflect on the dance and together we can get things done.

In some cases—for example grant writing—we can allocate some money to projects.

Julie will look into writing a grant. She will emphasize the health and well being benefit of dancing as well as the community aspect.

New webmaster

Julie talked with John about hiring a new web designer. He wrote a letter with all the requirements and is willing to be at the interview. Julie will talk to Kara about money.

She will start making announcements about needing a new web designer at ED and in her networking group.

Copying job from Scott to Lisa

After questioning the necessity of a separate person we endorsed Lisa to take over the tasks of copying all the forms from Scott S for free dances.

(* this has been changed after talking with John M, see Julie's email)
