Sunday dances

We discussed making changes in the Sunday Dance to reduce our ongoing losses.

Our average Sunday income over the past year has been under \$200. Our current outlay per dance (facilitator, coordinator & space rental) excluding overhead is almost \$330. This situation is unsustainable.

In considering various solutions, the CC incorporated the requests made by three younger Embodydance participants to become facilitators in the anticipation that they would initially provide their services for a lower fee and hopefully inspire participation by more young people.

For this we have to suspend the current training protocol for Sunday for the summer. The trainees will especially be trained in the logistics and in the fall they can start with the usual training around wave-building.

The Council is proposing the following temporarily changes for

Sunday Dance

1. Facilitators would play previously created waves and simultaneously train the new facilitators on the logistics of using the audio system.
2. The warm-up could be created by the trainees with feedback by the facilitator.
3. Facilitators would also train the new facilitators in setting up the audio system, sign-in table, etc. and "holding space" as well as dismantling the space and clean-up.
4. There would be no paid coordinator and no volunteer positions in exchange for free entrance. The space would be more minimally set up and managed relying on greater cooperation by participants: a self sign-in / payment system, chill space & altar set up only as initiated by participants, participant support in set-up and break-down / vacuuming.
5. We ask Elise Gent has to reduce the rent for Sundays in July and August from \$90 (3 hours @ \$30/hour) to \$60. (note, she agreed)
6. We anticipate paying the trainees a minimal fee and are hoping that facilitators will agree to accept a drastically reduced rate of around \$50 - 60.
7. We need 3 facilitators to be willing to work with us on this. We will ask Gay if we don't get enough facilitators.
8. Ana will check Body as an alternative location

In the meantime we will look again if there is enough interest in the

Sunday dance for people to step up and look into marketing.

Fundraiser

Tracy will email her conclusions and suggestions about the fundraiser so we all can give feedback,

Tallying

Guthrie doesn't want to do the tallying anymore. We will ask Raphael.

Late payers fundraiser auction

One more try to collect the money otherwise item will go to next in line.

Agreements

John will call Elise, Alec, Vee and Gay

Anna will call trainees

Julie and Tracy write a letter to the extended CC & coordinators

Ana will find the training protocol for Tracy to put in drop box.

Tracy is phoning Raphael about tallying job. (?? not sure who was doing this)

Tracy will send out Fundraiser conclusions

Next meeting

6/27 at Julie's house at 6.30pm. Tracy Facilitates, Julie will do the notes.
