Community Counsel meeting notes Dec 5th

Attendance: Jay Jackson, Jay Lynch, Julie facilitator), Duija (Notes)

John's email

According to John Meade young people don't realize that the amount we ask for ED is by donation and they don't come because they can't afford it.

To make clearer to people that dance is by donation we chose the following wording for sign, flyers and website:

Standard donation \$12/15

Nobody will be turned away for lack of funds

Complementary dances available for volunteering for altar (1), set up/break down (1) and greeter (2).

Julie will make sure this will be on the website

Duija will change it on posters. (and sees if it is possible to make them half page)

JJ will write it on the announcement board.

Jay Lynch will contact John Meade about possible computer donations

Sound system

JJ asked Doug and he doesn't know the details of the sound system, except that it has ben purchased at Grandma's in Albuquerque and has been serviced there.

Julie will ask accountant if she got any paperwork for the sound system.

JJ will ask Tracy Collins

Bookkeeper

Regarding facilitator trainees payment of GRT is a courtesy ED

has offered for regular facilitator duty. Usually this is the responsibility of "contracted" person to pay their own GRT from earnings from ED, or elsewhere.

CC has agreed to leave the calculation for GRT as an add-on for "contract" wave facilitation payments, yet not adding it to "contract" payments related to training efforts.

(* see email exchange, we are going to reconsider this decision next meeting)

Julie will send an email out regarding the above.

Julie will ask Tracy for the template of the thank you note for donations.

Jay will phone Raphael for end of the year donation forms and we will start mentioning in circle..

Marketing & Facebook page

The closed ED Facebook group page is outdated and we lost the password, so hard to manage. The open Facebook group is not private for sharing and discussions. We are thinking of closing the old closed page and starting anew one.

JJ will ask Tracy if the people on that group are transferable to a new group.

Duija will look into half page posters

Website

Alex will update the website for \$500 dollars in the new year if the CC approves it next meeting.

Julie and JJ will go through the website page by page to see what needs updating.

Emergency CD

Tracy generated 2 discs with waves and will show JJ how to play them. He will ask her to show other coordinators.
