Community Council Meeting notes from 1-23-17

Attending: Alec, Ana, Jay J, Julie (Fac). Tracy J, Duija (Notes)

Facebook page

Some people have been asking about the reason to do another Facebook page and the most important reasons are that the page is outdated and we can't add other administrators. Tracy has maybe found the password but is still not able to add people.

Ana and Duija are looking to add something in the pinned post about guidelines for posting.

Julie will get clear about FB via Ana so that can be presented/linked correctly on web.

Sound System

To be continued in a month.

Website

Michela has done some text updates and Julie has found a few more needed updates that she will ask Michela to do. Most of the out of date stuff are blogs and only the beginning if each of them will be shown. The side bar will be removed, also the way to get to the volunteer positions will be simplified. CC tab will be under volunteer tab instead of community.

Alex will be asked to make structural changes to accomplish the following:

simplify presentation/function of the site; make it responsive on various forms of technology; reconfigure home page presentation of blogs so that home page stays current and uncluttered; create a calendar @ calendar tab that will hopefully record volunteer sign-ups for easy viewing; possibly reorganize tabs/dropdowns/links to streamline overall functionality of site.

Julie will not wait until she has the board's and CC's profiles and pictures but will request they can be added when they come in.

Ana is interested in making a video for the website from a Sunday dance Julie will make a permission slip for the dancers.

Changes on the schedule go best through Tracy C. so the web person has the same contact person.

Training protocol

Trainees pay back the investment ED makes in subsidizing training cost by earning slightly less for the first 2 years:

1st year \$25 less than the seasoned facilitators

2nd year \$15 dollars less.

When facilitator doesn't need to help in any way for 3 times in a row the trainee is ready.

Tracy will go through the trainings protocol again and send it around for all to read.

Coordinator meeting

Ana wants to call a meeting for coordinators before dance on a Thursday. We will talk about agenda items next time.

Next meeting on Feb 6th at 6.30pm at Duija's house.

Tracy facilitates, Duija note taker.
