

Community Meeting Notes Jan 29th 2018

Attendance: Persten (fac), Bansi, Chris, Alec, Allan, Duija (notes)

ED Manager job decision

Chris wrote a job description with estimated amount of hours.

We discuss if we want to go the manager way, or the volunteer way and try to get more help from the community.

It doesn't feel that the community is so interested and it will take a lot of extra energy to explain all the things and oversee the whole thing, so we decide to go with manager.

Chris is willing to take it on, at least the initial project of setting everything up. He will do it over several months. He will get \$40 per hour.

The first thing is the web domain and getting a visa card for the Embodydance account. Also some of the ongoing things need to be addressed.

Special Saturday update

Tracy C can't get in the Railyard early enough to set up so she will talk to the class before us to see if they want to cancel. If not we can all jump in and help.

All the promotion is in place. Tracy organized the food and entertainment.

Coordinators/Facilitators/Board/CC meeting

We want to organize a meeting for all the staff at the back room of the Bourbon Grill. Everybody will get a drink and appetizer and we will have a check in and meeting and time for socializing. Allan will check if March 25th will work from 4/6pm.

Railyard Cleaning/Spring Party

Maybe a later date.

Earplugs

Chris will donate a box. He will bring it to the next dance.

Allan

Allan formally requested to join the CC. We will decide about this next time.

Next meeting

Feb 12th 6.30pm at Duija's (122 Cedar Street)

Alec will facilitate, Duija notes.
