Community Council meeting 02-20-17

Alec, Ana, Jay L, Jay J. (facilitator), Julie, Duija (notes)

Fundraiser

Elise has told us that the only day that works in May is the 13th but some other people need to use it before us so she asked if it works for us to only start setting up at 5.30pm. John told Elise that the earlier the better for us so hopefully the other people can compromise a bit too.

We need to find a person who wants to organize the whole thing for a part of the profit. Ana will think about it. Alec will oversee DJ's. He has one already volunteer.

Sound System

Alec didn't get to investigating more so we move it to next meeting.

Jay L knows that the cables are from Candyman and have a life time guarantee.

Website

Ana's daughter has made video footage for the Sunday dance.

Julie will send an email out to Ana and Alex about the video to bring them in contact with each other.

We will leave the password as it is and come back to it once the website is up.

Julie will ask Alex if he can finish the job by April 1st.

Coordinators meeting

The meeting will be held somewhere mid-March, Ana is figuring out the dates with the coordinators.

Agenda:

How is everybody doing? Are they overworked? Will expectations need to be adjusted or do they need help.

Can we make the facilitator responsible for an altar person, so they can coordinate a theme together?

Is the online sign up working out worse then before?

After talking again about the After election dance at the Boards request, we agree that the CC is responsible to keep an eye on things “sliding” –people neglecting their duties- and has to take initiative talking to people if problems are not addressed by the community.

Training protocol

Jynn has played 4 warm ups. Ana will talk with Tracy J about payment.

Next meeting

March 6th - 6.30pm at Duija’s house. Jay L will facilitate and Duija will write the notes.
