EmbodyDance Community Council Meeting 07-03-17

Attendance: Julie, Jay J., Alec, Ana, Chris (fac), M, Samwell, Duija (notes)

Tracy J

Duija will check with Tracy when she will officially step down from the CC and when she'll come to a meeting to hand over her tasks.

Bus Tour

Alec talked to the organizer and will get promotional material. They will do the wave, maybe Alec will do the warm up. They will all dance for free and we can keep the profit.

We decide to ask for a \$15 donation since it is a special event.

Ana will do the promotion: make a Facebook post and contact Raphael about posters, contact papers and Santafe.com

Julie will post it on the website.

Samwell will ask Doug if he wants to volunteer his coordinating otherwise Jay will.

We will talk in our next meeting if we want to donate half of the profit to the bus.

Fundraiser

We decide the date of the Fundraiser will be Sat September 30th with Oct 7th as a back-up date.

Ana and Samwell will meet and Ana will bring Tracy J.'s list.

Sunday's replacement night

Samwell looked at the calendar and all nights are full except for Fridays and Saturdays, which are \$250 nights. We consider doing a monthly Sat dance.

Experimental Sundays

The first time went well and got more or less 15 dancers. Julie has posted Persten's letter on the web.

The CC will draft a document about the things we agreed with Guthrie and Ana and Samwell will take it to Guthrie to sign.

Samwell will report back to the CC which parts of the experiment are interesting to integrate in EmbodyDance.

Elizabeth

We consent a \$25 stipend for Elizabeth for traveling from Albuquerque.

New Training Compensation Schedule

Ana is proposing to simplify the Training compensation by making it an apprenticeship (no cost for the trainee) with the trainees only getting paid after playing 3 full waves. After that their pay will be split with the training facilitator until the facilitator agrees that they are ready.

Ana will write this proposal down.

Meet-up

Chris made a meet-up page and would like everybody to sign up and give feedback. After that we can send out an email to the community and announce in circle about the group and encourage people to sign up.

Alec will send Chris promotional material for the Bus Tour so he can announce it in the group.

There is a capacity to accept donations on the page and Chris will set it up. He paid the cost for the group (\$86 for half a year) and will first wait to see if any donations might cover the costs.

Emotional processing

Julie is offering two possible ways from Mankind Project and Non Violent Communication to support us if difficult emotions arise or people get triggered. We agree that the NVC one is the most usable. She will write a proposal.
