  - What you like about it
  - What are your concerns
  - How does this not apply
- 10. Community Meeting Review**
  - Change the timing? Discussion ensued that it is unlikely that more people would attend on a different day than a Sunday
  - Community space: each person is responsible for themselves; if someone is out of line then as a community we have the right to ask someone to leave

- Alcohol Free or Drug Free: the reality is dance is not “drug free” – many people are “high” in some way, while on the floor.

**11. Coordinator Review:**

- Reiteration between coordinators of responsibilities—sent by Scott and Sandy
- Please see—the responsibilities of Coordinators:
  - Always be last one out, unless next group is already inside the space
  - Start at the back door, open it, make sure the light is on outside. Make sure the door is securely closed and lock it
  - Check bathrooms to make sure toilets are flushed and not tp or other litter is on the floor, turn lights off, prop doors open
  - Gather all left clothing to basket; water bottles to the shelf
  - Vacuum
  - Yoga mats, chairs, etc, all in place
  - Make sure fan is on AND heat is at 65F
  - Lights out
  - Door secure and locked
  - Any issues reported to Elise at 505-795-9185
- Reminder to coordinators of Elise Gent’s number: 505-795-9185 **ACTION ITEM:**
