Special Event

Community event with DJ's Persten, Kevin, Scott Shuker and Page.

No talking on the dance floor.

Persten will make Facebook page

Duija will make poster

Alec will ask Balam and Ezra

Alec will ask in circle for people for the door/set up-break down and altar.

Ana will check if we can still place it in the Reporter and will post in other free publications.

Persten will check with Chris if he can still do the meet-up group.

Julie will ask Michela to send out a mail chimp & website

Ana will ask Scott Norris for massage.

Sound Equipment

The subwoofer had a problem last Thursday and Jay talked with Sam from Candyman. He said it can be the subwoofer or the soundboard and apparently the soundboard can be replaced with a

cheaper part. Jay will try that and if that works it was not the subwoofer and we can play music without the soundboard through Spotify. Tracy C needs to be trained in Spotify.

If it is the subwoofer Jay will get it fixed. He will also send in all the cords.

Pay Raise Coordinators

The coordinators have been feeling the need for a pay raise since they do a lot of the volunteer work due to lack of volunteers. We decide to raise the pay of the coordinators to \$75.

Financial Report

We have \$5,695.10 in our accounts so we are doing well.

Facebook Page and Group

Persten has tweaked it and added 'ecstatic dance' in the title so that it will come up in searches. He will be added to the Facebook group.

Update Mailchimp emails

Persten will make a list to be put around in circle so people can write their emails down.

General manager

Ana will ask Tracy C about taking over the general management.

Next meeting

Sept 25th at Duija's house

Duija will do notes, Ana will facilitate.
