

Community Council Meeting Notes Dec 18th 2017

Attending: Ana, Alec (fac), Alan, Duija (notes)

Chris's tasks

Chris has written us an email with all that has to be taken care of and recommends a independent manager to implement and oversee the departments. We postpone this until he comes back in Jan so we can talk about it with him.

Special Sat

The next Special Saturday will be organized by Tracy Collins and will happen on Saturday the 17th of Feb. It will be celebration of our 18th year anniversary.

We are planning to do a Special Saturday every other month and Alec will do the one in April. He will contact John Meade about dates.

Kids on Thursday

We will allow case by case exceptions to the rule that Thursday's are kids free.

Board minutes

We don't see a problem with the amount of facilitators on the CC at the moment with regards of conflict of interest since they both have acted consistently very unselfish and gave up wages and gave many many hours to the community. Apart from that it has been very helpful to get feedback from the floor. Yeah Alec and Ana!

Alec will announce our meetings in circle.

Ecstatic Dance Santa Fe

Ana is planning to do her own Ecstatic dance nights, pop up style and possibly outdoors.

Coordinators meeting

This will happen in January

Meet Up

Ana will contact Chris about adding to the Embodydance description that over 60 people are dancing each week (since it shows that only a few sign up).

P&L

We made \$300 profit in November, now Facilitators got their old pay back and Coordinators got a raise.

Next meeting

Probably Tuesday the 16th of Jan. (Duija will check with Jay and Persten about day change) Ana will facilitate. Duija notes.
