- Manager job description and hours review

For location and directions, [please send us an email](#).

All members of the Community are welcome at any CC meeting. You are also welcome to be involved in the discussions but not to block consensus, and we ask that you have read the minutes of several past meetings and thus be educated on ED current affairs, be familiar with the meeting process and purpose, and participate constructively. If you have a suggestion or item to add to the meeting agenda, please [submit an Agenda Proposal Form \(APF\)](#), and the CC will confirm by return email the meeting date at which your item will be heard. Please attend that meeting to advocate for your item, or it will be dropped from the agenda.
