

Attending: Duija (facilitator), Allan (notes), Scott, Alec

1. Established quorum; read and approved minutes of last CC meeting.

2. **New Business:**

- a) Begin planning process for reopening: Alec will ask Elise what her plans are for the Railyard Performance Space, in order to ascertain that it will remain available for Embodyspace. He will also check with her regarding our desire to maintain a right of first refusal for Thursday evenings when we again dance there.

At present we consider Ana and Alec to be our principal facilitators. We will encourage the use of guest facilitators, such as CodeStar of Durango. Allan will inquire of Rodney Fox as to his availability and interest.

We will need to talk with coordinators Samwell, Doug and JJ to see if they're on board to continue. When word comes out that we may dance again Scott will email them for this purpose.

Scott informed us that when to activities expand as we approach in-person dancing his \$99/month fee to serve as interim manager will have to increase; also that he continues to consider himself to be our interim manager, open to hiring a regular manager once we're dancin' again and have income.

- b) Review Facebook ED page, remove inappropriate posts, possibly block some posters. We learned that the original 'Embodyspace Santa Fe' FB page is managed by Tracy Collins, who lacks the password to change or close the site.

3. **Treasurer's Report:**

No donations or income. As of today we have \$1,748.95 in combined savings and checking accounts. Average monthly expenses October-February are \$274.76.

4. **Manager's Report:**

- a) Cloud Access hosts our now-in-limbo Embodyspace Santa Fe Conscious Ecstatic Dance website. The hosting expires on 3/15/21. Costs are \$60/year to renew web hosting and \$90 to scrub an apparent viral infection. Scott will ask Cloud Access what will happen if the website is allowed to expire.
- b) Scott has spoken with a State Farm agent about their being our new insurance provider. The agent may be able to provide liability insurance, and needs more information in order to supply a quote, which Scott will supply.
- c) Consensus

5. **Consensus:** Scott will renew the Embodyspace Santa Fe Conscious Ecstatic Dance website for \$60 if not doing so will cause ED to lose any current website content.

6. **Next meeting:** April 5, 2021. This will be an in-person meeting at Scott's home, 1113 Paseo Corazon, Unit 303, Santa Fe; facilitator to be determined. We agreed that we can move the meeting up to 3/29/21 if reopening appears imminent.
